studywiz spark **Learning Plans Create a new Learning Plan** Learning Plans let Students develop a strategy for learning about a particular topic. Teachers and Parents can view and can contribute to their Students' Learning Plans. A Learning Plan is typically used to guide a Student through a long term project with clearly defined goals. Learning Plans are presented through a fun interactive Flash interface with a choice of different templates, or through a text based interface. 1 Click the **Tools** button. studywiz Learning 🖌 Tools Back Cr Home Settings 🦾 Log Ou 2 Click the Learning Plans button. Tips and Hints

- 1 Upload or import any kind of file into a Learning Plan, for example, students can upload a piece of work or even a video blog as a reflection.
- 2 Encourage students to take control of their own Learning Plans.
- 3 Check students' Learning Plans progress regularly.
- 4 Leave comments for students in the Learning Plans.
- 5 Encourage Parents to log in and see their students' Learning Plans.
