Trainet Teacher I Training Tasks: Our Solar System > Our Solar System A calendar of Solarce Events	When the selected activities have been downloaded to your iPod, <b>The activities you</b> <b>requested are synchronized with your iPod</b> notification appears.
Synchronizing_	
Note  Deart close this window or open another synchronizing window when synchronizing is in progress.  I you can't use iffunes automatically with our module try to download this <u>setues program</u> and run it. You may need to restart your  start setup.	browser

## **Tips and Hints**

- 1 Only iPod compatible Audio and Video can be synced with an iPod. iPod compatible audio and video files include: m4v, mp4, m4a, mp3, mov, aiff, wav and aac.
- 2 You can synchronize any Studywiz Spark Calendars with your iPod.

If you have any ideas for ways to use the iPod synching feature you're invited to share it with other teachers at the Studywiz Global Community – http://studywizgc.org/. Log in using the button on your Studywiz deployment.
